Inspection Report

Re: Inspection of Glenindare Nursing Home, Merrion Rd., Dublin 4, under the Health (Nursing Homes) Act, 1990 and the Nursing Homes (Care and Welfare) Regulations, 1993.

Dear Sirs,

The Health Service Executive Nursing Home Inspection Team from a Medical & Nursing perspective, inspected Glenindare Nursing Home on 21/03/07.

This inspection was unannounced.

There were 17 residents on this date. The Nursing Home is currently fully registered for 32 residents.

Issues identified in the previous Inspection Report dated 18/12/06 have been addressed.

Current Inspection

The following issues require your attention and action.

Recommendations:

If Glenindare Nursing Home has not yet transferred to Glebe House, Kiltarnan, by April 2007, we recommend the following:

1. That all fire extinguishers be serviced.

2. That a further fire drill be carried out, given that those carried out in December 2006 were unsatisfactory.

The Nursing Home Inspection Team is to be notified in writing on or before 13th April 2007 indicating the steps taken by the Nursing Home to carry out the actions as required under the Regulations.

Signed:
