All regulations, their reference numbers and the details of those regulations can be viewed in Nursing Homes (Care and Welfare) Regulations, 1993 .		
Comments and Recommendations		
Comments and recommendations made by the inspection team as a result of the inspection	<p>In view of recent issues relating to infection control we recommend</p> <ol style="list-style-type: none"> 1. Separate rooms are required for <ol style="list-style-type: none"> a. Dirty Utility / Sluice Room b. Housekeeping Equipment c. Toilets All of these rooms should have there own hand washing facility. 2. Commodes that cannot be effectively cleaned should be replaced. Where possible residents should use a flush toilet rather than a commode. 3. That due consideration be given to the recent Infection Control Recommendations from the Infection Control Department Dr Steevens' Hospital (see enclosed) and in particular the recommendations regarding hand hygiene. 	Recommendations
