Act, 1990 and the Nursing Homes (Care and Welfare) Regulations, 1993

Dear Sirs,
The Health Service Executive Nursing Homes Inspection Team from a medical and
nursing perspective inspected St. John's House of rest on 16/7/07.

The Inspection commenced at 09.30 hrs and was completed by 12.00hrs. This
inspection was unannounced..

There were forty three (43) residents on this date . The nursing home is currently
registered for forty five (45) residents.

The above nursing home was found to be in substantial compliance with the Health
(Nursing Homes) Act, 1990, and subsequent regulations at the time of inspection.

Recommendations:

- Though the person in charge Ms. Aileen Egan works full time this needs to be documented on the weekly roster.
- All rooms to be clearly numbered.
