Inspection Report
Re: Inspection of (St Louis Nursing Home) under the Health (Nursing Homes) Act, 1990 and the Nursing Homes (Care and Welfare) Regulations, 1993.

Dear Sir/Madam

The Health Service Executive Nursing Homes Inspection Team visited St. Louis Nursing Home on 5th December 2006.

There were 27 residents on this date. The Nursing Home is currently registered for 31 residents.

The following breach of the Health (Nursing Homes) Act, 1990, and subsequent Regulations, were noted:

Article 29 (a) & (b): The registered proprietor and the person in charge of the nursing home shall:
(a) make adequate arrangements for the recording, safekeeping, administering and disposal of drugs and medicines;
(b) ensure that the treatment and medication prescribed by the medical practitioner of a dependent person is correctly administered and recorded.

Breach: Incorrect recording of medication administration. Allopurinol which was given to X.X on 5th December 2006 at 7am was not recorded as given on the drug administration cardex.
Required Action: Nurse-in-Charge of the Nursing Home and the nurse administrating the medication must ensure that the medication prescribed is correctly recorded.

Timescale: Immediately.

The Chairperson of the Inspection Team is to be notified indicating the steps taken by the home to carry out the actions as required under the regulations.

Signed:
