Dear Mr Ryan,

The Health Service Executive Nursing Homes Inspection Team inspected Beechpark Nursing Home, Dunmurray, Co Kildare from 1.30pm to 4.00pm on 13th June 2007. This is a follow up inspection and unannounced.

There were 30 residents on this date. The Nursing Home is currently fully registered for 48 residents.

The Inspection Team acknowledge the work undertaken in response to the issues outlined in previous inspections. We were pleased to note that new nursing assessments and care plans have been updated for all the patients. A random sample of resident files were inspected during this inspection.

**Issues identified in previous Inspection Report 8th March 2007.**

The following Articles have been addressed,
Article 5(a) (b)
Article 12 (e) (a)

The following Article has been partially addressed
Article 14 (a)

The following issues require your attention and action.
Article
Article 14
“The registered proprietor and the person in charge of the nursing home shall:—
( a ) ensure that the nursing home and its curtilage is maintained in a proper state of
repair and in a clean and hygienic condition “

Non Compliance:
(1) Three showers were disconnected.

Required Action:
The Inspection Team acknowledge that efforts have been made to rectify this problem.
