Inspection Report

Dear Mr. Grant,

The Nursing Homes Inspection Team from an environmental health perspective inspected Marian House on 14th November 2007.

The inspection commenced at 1:45pm and was completed by 3pm. This inspection was unannounced. There were 12 residents in the home on this date. The Nursing Home is currently fully registered for up to 12 residents.

The above nursing home was found to be in substantial compliance from an environmental health perspective under the Health (Nursing Homes) Act, 1990 and subsequent Regulations at the time of inspection.
