
Dear Mr. Grant,

The Health Service Executive Nursing Home Inspection Team from an Environmental Health perspective inspected Marian House on the 31st May 2007 and carried out an inspection under the above legislation.

The inspection commenced at 13:40 and was completed by 14:55. This inspection was unannounced.

There were 12 residents on this date. The Nursing Home is currently registered for 12 residents.

The issue identified in the previous inspection report dated 15th November 2006 was seen to have been addressed satisfactorily.

Current Inspection
The above nursing home was found to be in substantial compliance from an environmental health perspective under the Health (Nursing Homes) Act, 1990 and subsequent Regulations, at the time of my inspection.

Thanks to all your staff for their assistance at the time of my visit.

Yours sincerely,
