Inspection Report

Re: Inspection of Cloverhill Nursing Home, Lisagallon, Roscommon under the Health (Nursing Homes) Act 1990 and the Nursing Homes (Care & Welfare) Regulations 1993

Dear Company Secretary,

The Environmental Health Officer visited Cloverhill Nursing Home on 13/11/2006.

There were 39 residents on this date. The Nursing Home is currently registered for 42 residents.

The above nursing home was found to be in substantial compliance with the Health (Nursing Homes) Act, 1990 and with the Environmental Health aspects of the Nursing Home (Care & Welfare) Regulations 1993 and subsequent Regulations at the time of inspection.
