Inspection Report

Re: Inspection of Villa Marie Nursing Home Grange Templemore Road Roscrea Co. Tipperary under the Health (Nursing Homes) Act, 1990 and the Nursing Homes (Care & Welfare) Regulations 1993

Dear Ms. Quealy,

The Health Service Executive Nursing Home Inspection Team from a Medical a Nursing and an Environmental Health perspective inspected Villa Marie Nursing Home on 03/04/07.

The inspection commenced at 1.30pm and was completed by 3.30pm. This inspection was unannounced.

There were twenty three residents on this date. The Nursing Home is currently fully registered for twenty three residents.

The above nursing home was found to be in substantial compliance from a Medical a Nursing and an Environmental Health perspective under the Health (Nursing Homes) Act, 1990 and subsequent Regulations at the time of inspection.

Recommendations:

- Only items associated with sluicing activities shall be retained in the sluice room. Items such as crutches and flowers vases shall be removed from this room.
- At inspection some pieces of equipment such as a heater and commode chairs were stored in the cleaning room. It is recommended that these be stored in the dedicated storage room. Shelving should be erected in the cleaning room to store cleaning agents etc.
- The Team was informed at inspection that new number discs were on order for the bedroom doors. These shall be erected.

Signed:
