Integrated Inspection Report

Dear Sir/Madam,

The Nursing Homes Inspection Team visited the Kinvara Nursing Home on 1st December 2006.

There were 36 residents on this date. The Nursing Home is currently registered for 44 residents.

The following breaches of the Nursing Homes (Care and Welfare) Regulations, 1993, and Nursing Homes (Care and Welfare) (Amendment) Regulations, 1994, were noted:

Article: MEDICAL PREPARATIONS:

Regulation 29 states:

The registered proprietor and the person in charge of the nursing home shall:

- (b) *ensure that the treatment and medication prescribed by the medical practitioner of a dependent person is correctly administered and recorded.*

Breach:

- The recording of the drug Vascase 5 mgms for one resident on the Nursing Home prescription was incorrect, however, the GMS prescription and the administration of the drug was correct.
- Calcichew prescribed by the G.P. was not given to a resident.

Required Action:

- All drugs recorded on the GMS and the Nursing Home prescription should be correct and signed by the G.P.
- All nutritional supplements should be administered as prescribed for each resident.

Timescale:

- **Immediately.**

The Inspection Team is to be notified on or before the above date indicating the steps taken by the home to carry out the actions as required under the regulations.

Your immediate attention to this report is requested.

We recommend the re-registration of the Kinvara Nursing Home.

Signed:
