1. INTRODUCTION

The HSE gained registration to ISO 9001:2000 in early 2007.

SGS have conducted their last surveillance audit on the 18th October 2006. SGS observations have all been address and closed out (see details in this report).

Since then key employees Clodagh Hanratty and Gerry Mac Namara have left their positions in Technical Services. This has put considerable strain on the remaining staff to keep systems up to date.

2. MINUTES FROM PREVIOUS MEETINGS.

The findings from the last Management review Meeting in 2006 was reviewed.

All findings and actions items are closed out.

3. INTERNAL AUDIT SCHEDULE FOR 2006 WAS REVIEWED.
