A south east regional service
for anyone affected by
problematic drugs
or alcohol abuse

WHO ARE WE?

The Substance Misuse Services provide free confidential drug and alcohol services across the South East Region.

Our recovery team includes, GP's, Nurses, Counsellors, Drug Education Officers, Outreach Workers, Community Pharmacies and work in partnership with other statutory and voluntary agencies and organisations.

WHAT DO WE DO?

The Substance Misuse Services works with adults and young people who want help to deal with a drug or alcohol problem and who want to build a healthier, happier life for themselves. We also support friends, families and carers.

WHAT DO WE OFFER?

Wellbeing

We provide healthcare advice. We also offer screening and vaccinations for blood borne viruses such as Hepatitis C & HIV, vaccinations for Hep A & Hep B and referral to specialist services as part of our harm reduction programme.

Advice and Guidance

We provide free and confidential advice and support to help you on your road to recovery.

Talking Therapies

We help build and maintain your motivation, understand your drug and alcohol use, and support you to make long term changes for a healthier and happier life.

Support

We provide therapeutic and educational one to one and group support for people at all stages of recovery.

Medically Assisted Recovery

We provide assessment and medically assisted detoxification and alternative medication if you are physically dependant on drugs or alcohol.

Needle and Syringe Programme

We provide clean equipment and safe disposal. Advice and information on safe injecting, harm reduction education and over dose prevention.

HELP & SUPPORT

To help maintain recovery we offer ongoing support including:

- **Key Working**
- **Counselling**
- **Outreach Support**
- **Rehabilitation Support**
- **Connections to Community Groups**
- **Family & Carer Groups to Support Your Loved Ones**
- **Links with Local Training, Education & Employment Initiatives**

FAMILIES, FRIENDS AND CARERS

We understand that it can be very difficult to deal with the behaviour of someone close to you who misuses drugs or alcohol. You will face many challenging situations and may need advice about what to do to help your loved one. We can provide one to one and group support where you can share your experience with others who know what you are going through.

ACCESSING OUR SERVICE

The Substance Misuse Service is available to all young people and adults. If you would like to speak to somebody about you or a family members alcohol or substance use, you can contact the service directly by phone. You can refer yourself directly to the service or you can be referred by your GP or another agency. Parental or guardian consent maybe required for under 18 years old.
