

Staff Nurse

Children's Health Ireland Job Specification and Terms & Conditions

Job Title & Grade	Staff Nurse Grade Code: 2135
Campaign Reference	SN-CHI-07.2020
Closing Date	Rolling advert
Duration of Post	Permanent posts available. Please note that you must be eligible to work in Ireland and you must be able to commence in a CHI role within 3 months, from the date of your interview.
Location of Post	<p>Children's Health Ireland (CHI), comprises of the three children's hospitals at CHI at Crumlin, Dublin 12, CHI at Temple Street, Dublin 1 and CHI at Tallaght, Dublin 24 and the Paediatric Outpatients (OPD) and Urgent Care Centre (UCC), CHI at Connolly Hospital, Dublin 15. The new OPD and UCC in Tallaght is due to open in 2020.</p> <p>CHI's Programme Office, CHI Herberton is located in Rialto, Dublin 8 adjacent to the new children's hospital which is on the campus shared with St James's Hospital.</p> <p>This post can be based at CHI at Crumlin, Temple St, Tallaght or CHI at Connolly Outpatients & Urgent Care Centre.</p>
Context/ Background	<p>Children's Health Ireland (CHI) operates as a single service across the existing Dublin children's hospitals, Crumlin, Temple Street and Tallaght. Also, the paediatric outpatients and urgent care centres, Connolly which opened in July 2019 and Tallaght which is due to open in 2020. CHI governs and operates local paediatric services for the Greater Dublin Area and all national paediatric specialist services, some of which are on an all-island basis.</p> <ul style="list-style-type: none"> • 25% of our population are children under 18 years of age. The majority are healthy, however 1/4 of these are three-year olds who are obese, 16% of our children have a chronic disease, such as, diabetes, allergies and asthma. 2% are acutely ill or have complex care needs. • CHI currently has a staff of 3,600 delivering care annually to 334,500 children, young people and their families through 39 clinical specialities and 442 in-patient & day care beds. • 2019 activity: In-patients 24,500; Day cases 33,500; Outpatients 147,500; ED 129,000.

Children's Health Ireland

	<p>Ireland will have a world class new children's hospital that is purpose built to deliver the best care and treatments that are available for future generations to come.</p> <p>The new children's hospital, which will open in 2023 will bring together the three children's hospitals into a world class building on a campus shared with St James's Hospital. This will be a leading campus in healthcare and research in Ireland, a leading adult teaching hospital, a children's hospital and in time, a new maternity hospital, when the Coombe Women and Infants University Hospital is relocated on the campus.</p> <p>CHI is leading on the clinical and operational transformation on how children's healthcare will be delivered in the future to deliver better, safer and more sustainable healthcare in the future. The new hospital is planned as the first 'Digital Hospital' in the system with the implementation of an Electronic Healthcare Record, as well as, other evidence based standards, such as, 100% single rooms.</p> <p>Children's Hospital Programme is a major programme of work led by CHI, focused on transformative service change to enhance services for children, young people and their families, to integrate the three existing hospitals, while maintaining existing and new services, ensuring patient safety and quality until transition is complete.</p> <p><i>For further information about CHI, check out the 'About Us' section of our recruitment website www.CHI.jobs</i></p>

Children's Health Ireland

<p>Purpose of the Role</p>	<p>The post holder will work as part of the Nursing team in the provision of nursing care for children and their families.</p> <p>To provide clinical leadership to a designated nursing team and ensure the provision of high quality care. To act as a role model and expert clinical practitioner. To ensure the provision of a high standard of care to the children and their extended family is consistent with the mission, vision, values and strategic plan of the hospital. To assist in the safe, effective and efficient management of the department within allocated resources. To promote a progressive attitude to the continual improvement of patient care through research and evidence based practice. To undertake delegated responsibility for the department in the absence of the CNM/CNS. In carrying out these duties confidentiality surrounding the Child's admission & treatment must be maintained at all times.</p>
<p>Principal Duties and Responsibilities</p>	<p>Professional Duties and Responsibilities:</p> <p>CLINICAL PRACTICE</p> <ul style="list-style-type: none"> • To ensure the provision of excellent, evidence based nursing care for the children and their families. • Ensure that each child is assessed and that their care is planned, implemented and evaluated in negotiation with the family and that this is accurately documented. • Promote Family Centred Care and ensure the provision of a welcoming, caring and safe environment for the children and their families. • To act as an advocate for the child and family ensuring the provision of appropriate information and support services. • To communicate complex and sensitive information effectively to patients, carers and other staff, overcoming any barriers to understanding and providing support during distressing or emotional events. • Ensure that discharge planning is commenced at the point of admission, liaising with the multidisciplinary team, other departments and community services as necessary. • Develop and maintain the clinical skills and knowledge necessary to provide clinically effective, holistic, evidence based nursing care. This includes expanded role responsibilities, within the Scope of Professional Practice, following appropriate training. • To be competent in the administration and adhere to Hospital Medication Policy at all times. • Communicate effectively, promoting open and trusting relationships. • To be aware of the uses, safety precautions and handling of equipment in the department. • Assist in the development and review of policies and standards for the safe use of equipment and any new equipment introduced to the department. <p>MANAGEMENT</p> <ul style="list-style-type: none"> • Ensure the provision of appropriate supervision and support to Post Graduate and Under Graduate Student Nurses. • Support the provision of effective communication between all members of the multidisciplinary team, other hospital departments, relatives and visitors.

- Ensure quality care is given, by being familiar with agreed Hospital Guideline Policies and Procedures.
- Manage allocated resources effectively and efficiently. This includes maintaining the correct skill mix of staff for patient dependency, bed/list management, utilisation of time and equipment.
- Assist in ensuring the safety of the department and the risk management process by actively participating in clinical audit, clinical risk and quality issues, including the managing and reporting of incidents.
- To ensure that all staff know where to access hospital policies and clinical procedure guidelines and that staff adhere to these at all times.
- To lead on an agreed area of department management e.g. infection control line, teaching research etc.
- Act as a team leader for a group of nurses, acting as a mentor/preceptor and facilitating their development through challenge and support.
- To lead and co-ordinate projects and team building activities.
- Participate in the process of recruitment and retention of staff. Master CHI Job Description (V6 updated 23-01-20).
- Promote and support the improving working lives philosophy and initiatives.
- To contribute to the appraisal process and, if required, disciplinary activities.
- Deputise for the department manager in their absence or when requested.
- Participate in events or publications that promote the Hospital and Children's Nursing.

EDUCATIONAL/ PROFESSIONAL DEVELOPMENT

- To actively assist in the education and practical training of Post Graduate and Under Graduate Student Nurses and Health Care Assistants at every opportunity, through formal and informal teaching to provide the mentorship / Preceptorship / teaching and assessing as required.
- Participate in the audit of the clinical learning environment.
- Supervise and orientate staff new to the area.

RESEARCH / INFORMATION TECHNOLOGY

- Be aware of new research with paediatric nursing and apply evidence-based research finding to practice.
- Participate in research programmes.
- Identify and develop tools to provide on-going audit of current practice.
- Ensure that he/she makes the most effective and efficient use of developments in information technology for both patient care and administrative support in a manner which integrates well with systems throughout the organisation.
- Participate in the collection, interpretation and presentation of data and information on the department's activities.
- To act as a preceptor for junior staff nurses.
- To be a resource for students and junior colleagues, facilitating the development of junior staff.
- Teach parents the clinical skills required to care for their child safely at home.
- Maintain own professional development and mandatory training.
- Demonstrate a professional approach to work and act in accordance with NMBI Code of Professional Conduct at all times.

Children's Health Ireland
