Notes

Please note, that while every effort will be made by the Consultants Division to process applications received before the published deadline, due to the ongoing increased volume of applications, some applications may be carried over to the following meeting

All Applications are dealt with in order of receipt. Only fully complete and signed applications, submitted by the relevant Hospital Group / CHO, will be screened by the Consultants Division

*Only applications submitted via the dedicated Type C email address **typec.applications@hse.ie** will be considered by the committee in 2022*

Applications are reviewed by the Consultants Division and subsequently queries may be raised via the relevant Hospital Group / CHO. Once all documents are in order, the full application will be sent to Acute Operations for discussion at their respective meeting. Provided it is endorsed at this meeting, only then will it be placed on the next agenda for consideration at the Type C Committee meeting. It is for this reason that deadlines are set and will be adhered to

Meeting dates may, in exceptional circumstances, be subject to change
