

Approved Consultant Posts for Recruitment

The following information details the new and replacement consultant posts recommended for approval each month. It should be noted that there is often a significant period of time between recommendation of approval of a consultant post through the Consultant Applications Advisory Committee (CAAC) to the commencement of the recruitment process and ultimately the recruitment of a Consultant to a post.

Recruitment to HSE and HSE Funded posts is conducted by the Public Appointment Service (PAS). If you wish to be notified of job alerts please select the type of Medical Consultant post you are interested in and register through the following link:

<https://www.publicjobs.ie/candidateportal/login/register.do>

You can search for all consultant posts on the jobs section of www.hse.ie otherwise, please contact each clinical site directly and quote the post reference number to clarify the recruitment status of the post.

Definition of Status	
Title of Post	The qualifications specified for consultant posts to reflect the Specialist Division of the Register of Medical Practitioners are listed in the attached link: https://www.hse.ie/eng/staff/leadership-education-development/met/consultantapplications/quals1/
Post Reference Number	This is the unique post identification number
Principal Clinical Site	Principal Clinical Site is the clinical site with the majority of hours
Other Clinical Site	Where a post is split/across more than one clinical site this is referred to as "Other clinical site". Not applicable means that the post has all its hours based in the principal clinical site.
Application Type	New post refers to a new consultant post or an additional post for an established department Replacement post refers to a consultant post which has become, or is due to become, vacant and approval has been granted to refill
CAAC Meeting Date	The month in which CAAC recommended the post for approval
