

*This data has been extracted from Doctors Integrated Management E-system (DIME) as at 30 June 2020.*

*DIME is dependant on clinical sites inputting details on their consultant workforce. Currently there is an estimated 99% compliance rate and therefore there may be variances and gaps in the data supplied to that held within in clinical sites.*

*As DIME is a live system it must be noted that there can be variances in the figures published dependant on the run date of the report as entries can be made with a retrospective date.*

*The number of consultants employed refers to to posts currently filled regardless of tenure, both permanent & locum. This includes the following contract holders, permanent, temporary, locums & agency staff.*

*This data is used to respond to many parliamentary questions, freedom of information requests etc. so therefore, it is important that the data is reliable. Should you require any amendments please contact Consultants Division for assistance at [consultant.applications@hse.ie](mailto:consultant.applications@hse.ie).*
