

Medical Consultant Workforce as at 03 January 2023

This data has been extracted from Doctors Integrated Management E-system (DIME) 03 January 2023 and relates only to Consultant Applications Advisory Committee (CAAC) approved consultant posts.

DIME is dependent on clinical sites inputting details on their consultant workforce and therefore there may be variances and gaps in the data supplied to that held within clinical sites. As DIME is a live system it must be noted that there can be variances in the figures published dependant on the run date of the report and entries can be made with a retrospective date.
