Section 1 - Introduction

The National Employment Record (NER) Portal was developed by HSE NDTP in response to one of the key recommendations of the MacCraith Report. The recommendation was based on feedback received directly from NCHDs. The system was specifically designed to minimise repetitive paperwork requirements for NCHDs and eliminate as much duplication as possible when rotating employers within the Irish Health System.

The purpose of the NER Portal is to allow NCHDs to interact virtually with their Medical HR Department and Occupational Health Department in order to process pre-employment screening documentation, as well as their financial supports for both the Training Supports Scheme (TSS) and Clinical Course and Exam Refund Scheme (CCERS). There is also the recently added E-Portfolio module available which allows NCHDs to record their training and career development and seek validation for specific records.

The NER Portal is constantly being developed and updated. This user guide has been developed to assist NCHDs with using the following sections of the NER Portal:

- The NER Hire Form
- The Occupational Health Form
- Uploading and Updating Training Certificates

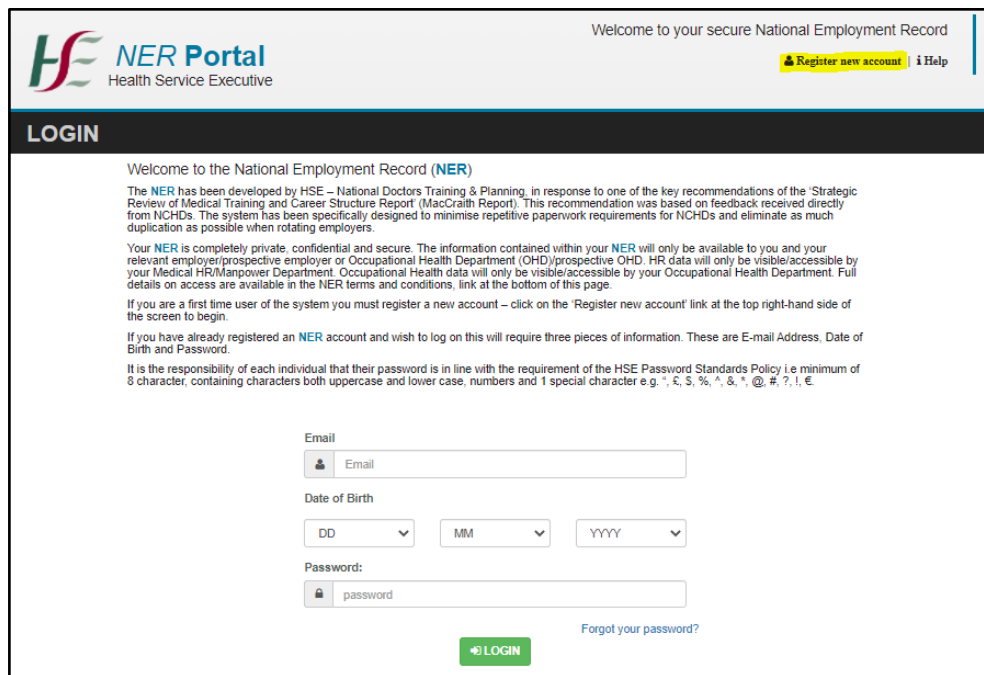

Section 2– Registering a New NER Account

You can access the NER Portal from any PC, Laptop, Apple or Android device. The recommended browser when accessing NER is the latest version of Internet **Explorer or Google Chrome**.

2.1 Completing Registration Fields

To create an NER account, please follow the below steps:

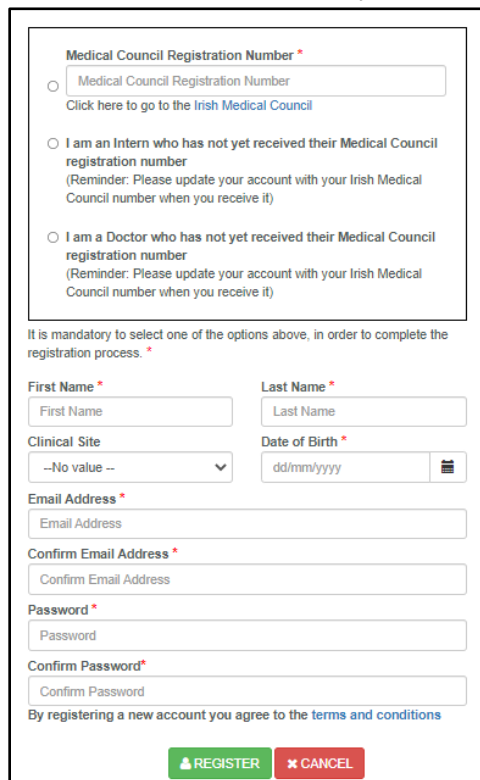

1. Visit www.nchder.ie and click 'Register New Account' as shown in Figure 1. The screen as shown in Figure 2 will then be displayed

The screenshot shows the NER Portal Home Page. At the top left is the HSE logo and 'NER Portal Health Service Executive'. At the top right, it says 'Welcome to your secure National Employment Record' with a 'Register new account' link highlighted in yellow and an 'i Help' link. Below this is a 'LOGIN' header. The main content area contains a welcome message and instructions for new and existing users. At the bottom, there are input fields for 'Email', 'Date of Birth' (with DD, MM, and YYYY dropdowns), and 'Password'. A 'LOGIN' button is at the bottom center, and a 'Forgot your password?' link is at the bottom right.

3. Your Irish Medical Council (IMC) registration number should be entered when registering your NER account. If you have not yet been issued an IMC registration number (e.g. you are a recently appointed Intern and are awaiting registration) you may proceed with creating an account however, you must select an employment site from the Clinical Site Field. **As soon as you receive your IMC Number you must update your Hire Form with this information.**

If you enter your IMC registration number, the First Name, Last Name and Clinical Site fields will automatically populate with your details. These fields will be greyed out and you will not be required to enter this data.

2.2 Creating a Password

As part of the account setup process you will be required to provide your email address and date of birth. You must also create a password to access your NER account.

Please note the portal conforms to the HSE Password policy. Therefore your password must be a minimum of 9 characters in length, it must contain at least one capital letter, one number and one symbol (e.g.!, \$, %, *,). Using symbols other than the ones recommended may cause password issues.

2.3 Forgot Password

If you have forgotten your password please follow the below steps:

1. Click on the 'Forgotten Password' link beneath the logon fields as shown in Figure 3.

The screenshot shows the NER Portal Home Page. At the top left is the HSE NER Portal logo. At the top right, it says 'Welcome to your secure National Employment Record' and has links for 'Register new account' and 'Help'. Below this is a 'LOGIN' header. The main content area contains a welcome message and instructions. At the bottom, there is a login form with fields for 'Email', 'Date of Birth' (with dropdowns for DD, MM, and YYYY), and 'Password'. A green 'LOGIN' button is at the bottom center, and a yellow 'Forgot your password?' link is to its right.

Figure 3: NER Home Page

At the top right, it says 'Welcome to your secure National Employment Record' and has links for 'Register new account' and 'Help'. Below this is a 'REQUEST PASSWORD' header. The main content area contains a form with a label 'Please provide your email address to reset your password' and an 'Email Address' input field. Below the input field are two buttons: a green 'RESET PASSWORD' button and a red 'CANCEL' button. At the bottom, there is a note: 'Please note that password re-set emails can take up to 2 hours to deliver. If you have not received an email with password reset details, please check your Spam / Junkmail folders. Do not resubmit your request as multiple resets can cause your account to lock. Apologies for the inconvenience this may cause.'

An NER Account becomes inactive after 365 days without the user logging in. If your account becomes inactive please contact your Medical HR Department to re-activate your account. If you do not have a Medical HR Department please contact dime.team@hse.ie.

2.5 Terms & Conditions

There is also a link to the T&Cs on the landing page and within your account on the Dashboard in the lower right hand section as shown in the images below. You must accept the T&Cs of the NER Portal in order to be able to create an NER Account.
