Section 1 - NCHD NER Portal

The NER Portal can be accessed from any PC, Laptop, Apple or Android device. Please note the browser version must be minimum IE11, or Chrome 29. To download the latest version of Google Chrome 42 will only take a couple of minutes www.google.com/chrome

1.1 NER Portal Website Address

To create an account on NER each NCHD must first register your details at www.nchder.ie

1.2 Registration link

The landing page, Fig.1 will appear and the NCHD must click 'register new account'

The 'i Help' icon on the top right hand side of the screen will provide assistance if required.

LOG IN

Welcome to the National Employment Record (**NER**)

The **NER** has been developed by HSE – National Doctors Training & Planning, in response to one of the key recommendations of the 'Strategic Review of Medical Training and Career Structure Report' (MacCraith Report). This recommendation was based on feedback received directly from NCHDs. The system has been specifically designed to minimise repetitive paperwork requirements for NCHDs and eliminate as much duplication as possible when rotating employers.

Your **NER** is completely private, confidential and secure. The information contained within your **NER** will only be available to you and your relevant employer/prospective employer.

If you are a first time user of the system you must register a new account – click on the 'Register new account' link at the top right-hand side of the screen to begin.

If you have already registered an **NER** account and wish to log on this will require three pieces of information. These are E-mail Address, Date of Birth and Password. From the launch of version 2 of **NER**, Date of Birth is now a mandatory field when logging on to **NER**. If you registered an **NER** account previously without completing your date of birth you must contact your local Medical HR Department to update your hire form with your date of birth.

1.3 Completing Registration Fields

Once the NCHD has clicked the 'Register new account' button the required fields (marked with an asterisk) must be completed to register.

There are three options presented to the NCHD, Fig. 2:

1.3.1 Option 1 – 'Medical Council Registration Number'

For Option one, on entering a valid Medical Council number, the First Name, Last Name and Clinical sites are disabled. NCHD completes the required fields (email address, Date of birth Password and confirm Password). On successful registration NCHD is invited to log in.

1.3.2 Option 2 – 'I am an Intern who has not yet received their Medical Council Number'

NCHD Intern is invited to enter mandatory details such First name, Last Name, email address, Date of birth, Clinical Site and password information.

On successful registration NCHD is invited to log in.

1.3.3 Option 3 – 'I am a Doctor, who has not yet received their Medical Council Number'

NCHD is required to select a Medical Discipline and Medical Specialty (*this will determine EPP alerts).

Doctor without a medical council number is invited to enter other mandatory details such First name, Last Name, email address, Date of birth, Clinical Site and password information.

On successful registration NCHD is invited to log in.

Fig. 2

The screenshot displays a registration form with three radio button options at the top:

- Medical Council Registration Number ***: Includes a text input field and a link to the Irish Medical Council.
- I am an Intern who has not yet received their Medical Council registration number**: Includes a reminder to update the account with the Irish Medical Council number upon receipt.
- I am a Doctor who has not yet received their Medical Council registration number**: Includes a reminder to update the account with the Irish Medical Council number upon receipt.

A mandatory instruction states: "It is mandatory to select one of the options above, in order to complete the registration process. *"

Below the options are the following required fields (marked with an asterisk):

- First Name ***: Text input field.
- Last Name ***: Text input field.
- Clinical Site**: Dropdown menu (currently shows "--No value --").
- Date of Birth ***: Text input field with a date picker icon (format: dd/mm/yyyy).
- Email Address ***: Text input field.
- Confirm Email Address ***: Text input field.
- Password ***: Text input field.
- Confirm Password ***: Text input field.

At the bottom, a statement reads: "By registering a new account you agree to the [terms and conditions](#)". Below this are two buttons: a green "REGISTER" button and a red "CANCEL" button.

1.4 Creating a password

The NCHD is required to provide their email address and date of birth. They must also create a password to access their portal account.

The portal conforms to the HSE Password policy. Therefore it must be a minimum of 9 characters in length, it must contain at least one capital letter, one number and one symbol (e.g. !, \$, %, *,). Using symbols other than the ones recommended may cause password issues.

1.5 Terms & Conditions

By registering the NCHD is agreeing to the terms and conditions of the NER Portal Account. The terms and conditions of use should be read before completing registration. There is a link above the 'Register' button to view the T&Cs.

There is also a link to the T&Cs on the landing page on the portal Dashboard in the lower right hand section.

1.6 Logon screen

Following registration the NER account can be accessed by logging in using the email address, date of birth and password. For security, if the NCHD enters their password incorrectly more than three times the system will lock their account.

1.7 List of Occupational Health Departments (OHDs)

The NCHD can access a list of OHDs nationally by clicking the "View OHD Service Provides and Contact Details" link which is available on the Dashboard of the portal.

This is a convenient way for NCHDs to contact the correct OHD. The list can be updated centrally as required.

1.8 NER Hire Form

The NER Hire Form will automatically open when the NCHD logs onto their portal account for the first time. All mandatory fields marked with an asterisk must be completed before the Hire form can be saved. Each section, Personal Details, Contact Details, Next of Kin, and Bank Account Details should be completed.

If some required (but not mandatory) fields are left blank a warning alert will appear advising the NCHD that they can save the Hire Form, but it will automatically open each time the NER Portal Account is accessed until all sections are complete.

When an NCHD has completed their Hire Form (including PPSN, MC number and Bank details) it will be verified by the employer.

The NER Portal is secure and protected by a Secure Socket Layer (SSL) certificate. The browser displays a padlock symbol which means there is a secure connection; data transferred over the internet is encrypted and not visible to third parties. This technology is used e.g. for Internet Banking/Credit Card transactions. **For security reasons the NCHD should not allow the browser to save their password.**

1.9 Occupational Health Form

When the mandatory fields of the NER Hire Form are complete the NCHD is directed to Occupational Health Section of NER

1.9.1 - Section 1: Employment History

The NCHD should enter their previous Employment Details, to submit the OH Form for verification or alternatively click on checkbox 'I have not been employed in the last five years'

Declaration Acceptance

Applicant please read the declaration below carefully

I accept that I have an ethical and professional obligation to inform the Occupational Health professionals, in confidence, if I have any illness which could be a risk to patients or which could seriously impair my judgement in accordance to the Medical Council's Guide to Professional Conduct and Ethics for Registered Medical Practitioners (<https://www.medicalcouncil.ie/News-and-Publications/Reports/Guide-to-Professional-Conduct-and-Ethics-8th-Edition-2016-.pdf>)

I understand that I may be required to undergo an assessment by the Occupational Health services if considered necessary.

To the best of my knowledge:

1. The information that I have given is true and complete
2. I have not intentionally held back any material facts
3. I am responsible for the accuracy of this information

I am aware that my employer may reject my application and/or terminate my employment if I have made a false statement or misrepresented myself in this statement.

I agree to this information being kept electronically and confidentially.

I agree to my medical information being shared with other Occupational Health services on a need-to-know basis. I understand that my medical information will not be shared with other persons without my written consent.

The information I have given will form the basis of a fitness to work statement that will be provided to my medical manpower.

☐ By submitting this form for verification, I am accepting the above Declaration.

NCHD clicks on the check box and selects Submit for Verification

1.10 Immunisation Status Documentation

NCHDs can upload Immunisation status documentation, so that OHD may verify it. On submitting the OH form, the NCHD is directed to the Immunisation Status screen:

Fig. 9

Please add attachments to Immunisation Status

You will need to provide evidence of assessment for the following infectious diseases:

- TB
- Rubella
- Mumps
- Measles
- Varicella
- Hepatitis B (Anti-HBs)

If you already have previous evidence of assessment to the mentioned infectious diseases, please upload them now.

For Exposure Prone Procedure (EPP) clearance, in addition to above, you are required to provide evidence of assessment for:

- Hepatitis B (HBsAG and Anti-HBc)
- Hepatitis C (Anti-HCV)

Please take note that only evidence of EPP blood assessment carried out on identity validated sample (IVS) from an Irish or UK Occupational Health service will be accepted for EPP clearance.

If you do not have sufficient evidence of assessment, please contact your new Occupational Health department in order to complete this. Contact details are available by clicking the view OHD Service Providers link at the top right hand corner of the screen.

1.12 Uploading a Document to the dashboard

NCHDs are required to use the Dashboard to upload 'Add' all of their relevant documents/certificates including 'Immunisation Status'

Documents can be uploaded in two ways; by taking a Photo or by scanning and saving a document to a smart device.

Note: Only documents saved as **pdf, png** or **jpg** will be accepted by NER (all other document types including MS Word cannot be uploaded).

- (i) First click 'Add' on your dashboard beside the relevant certificate, then click 'Choose File'

Fig.13

The screenshot shows the 'ADD DOCUMENT' section of the NER Portal. The header includes 'ADD DOCUMENT', 'NER Portal', and a link to 'View OHD Service Providers and Contact Details'. The main heading is 'Please add attachments to Immunisation Status'. Below this, it states: 'You will need to provide evidence of assessment for the following infectious diseases:'. A bulleted list follows: TB, Rubella, Mumps, Measles, Varicella, and Hepatitis B (Anti-HBs). It then says: 'If you already have previous evidence of assessment to the mentioned infectious diseases, please upload them now.' For EPP clearance, it requires evidence for Hepatitis B (HBsAG and Anti-HBc) and Hepatitis C (Anti-HCV). A note states: 'Please take note that only evidence of EPP blood assessment carried out on an identity validated sample (IVS) from an Irish or UK Occupational Health service will be accepted for EPP clearance.' It also provides contact information for Occupational Health departments. At the bottom, there is a blue 'Choose File' button, a green 'Next' button, and a red 'Cancel' button.

- (ii) Choose the option to either take a photo if the device has a camera (e.g. phone or tablet) or select the relevant document saved on the system
- (iii) If the take a photo of your certificate option is chosen there is an option to either retake or use the picture
- (iv) If the option to select a certificate already saved to the system is picked, the NCHD must 'Choose' the file from the location it has been saved in, then click 'Open' and 'Upload'
- (v) Once the photo or saved document has been selected, the document name can be entered. Click the 'Next' button
- (vi) Enter the document valid from date if applicable (the valid to date will automatically populate where relevant)
- (vii) Next click 'Save' and then click 'Close'

Occupational Health Users may upload documents to the Occupational Health Section through the Occ Health Module in DIME (Section 2).

Once uploaded Portal users can print, view or download their documentation. Incorrect uploaded documents can be removed prior to verification by OHD and documents can be replaced as necessary.

If a document's period of validity should pass the current certificate can be added by clicking 'Edit' beside the relevant document on the dashboard, 'Upload Attachments' and follow the steps above to upload the document.

Once documents have been added, dates cannot be edited by the user if OHD has verified the document on the NDTP-DIME NER Module.

1.13 Email Reminders

In order to assist the NCHD in keeping their portal account up to date, they will receive emails automatically from NER reminding them when documents are nearing expiry or expired (the first email will issue 90 days prior to expiry, then 60, 30 and finally on expiry of the certificate/document).

These date driven email reminders will relate to certificates such as Occupational Health, EPP clearance.

OHDs will be copied on these email alerts so that when essential documents are nearing expiry or expired action can be taken.

Note: Ensure that system generated emails as not directed to the ‘Junk email’ folder of your email account. Check your Junk email box, right click on sender you wish to release, select ‘Junk’, select “never block sender”.

1.14 Account Visibility

In order to assist the pre-employment process, OHDs will not only be able to view the accounts of those NCHDs in their employment but also those NCHDs matched to a post on their site provided the start date is within the next 12 months.

Another facility available is access to an NCHDs portal account up to 60 days following their rotation to another OHD. This will ensure that any documentation outstanding from the previous OHD can be uploaded with minimum disruption to the NCHD or next OHD.

1.15 Forgotten Password

If a user has forgotten their password they can click the ‘forgotten your password’ link. The user will be asked to enter their email address and click ‘reset password’. An email will be sent to the user with a link to a ‘Change Password’ screen within 15 minutes. **Please do not click reset password more than once as this will result in your account being locked.**

Welcome to the National Employment Record (NER)

The NER has been developed by HSE – National Doctors Training & Planning, in response to one of the key recommendations of the ‘Strategic Review of Medical Training and Career Structure Report’ (Macraith Report). This recommendation was based on feedback received directly from NCHDs. The system has been specifically designed to minimise repetitive paperwork requirements for NCHDs and eliminate as much duplication as possible when rotating employers.

Your NER is completely private, confidential and secure. The information contained within your NER will only be available to you and your relevant employer/prospective employer.

If you are a first time user of the system you must register a new account – click on the ‘Register new account’ link at the top right-hand side of the screen to begin.

If you have already registered an NER account and wish to log on this will require three pieces of information. These are E-mail Address, Date of Birth and Password. From the launch of version 2 of NER, Date of Birth is now a mandatory field when logging on to NER. If you registered an NER account previously without completing your date of birth you must contact your local Medical HR Department to update your hire form with your date of birth.

2.0 Logging onto NDTP-DIME & Accessing the OH Module

Access to NDTP - Doctors Integrated Management E-System must be applied for through NDTP by emailing doctors@hse.ie.

To access DIME type <https://ndtp-dime.hse.ie> into your browser and you will be directed to the logon screen. **Always use Internet Explorer (IE) when accessing DIME.** Type in the user name and password provided by NDTP

Once you have logged onto NDTP-DIME the Occ Health Module on the left hand side of the screen will be visible.

There are three options within the OH Module:

(i) **Documents** – this tab allows you to search for all of the documents submitted to your OHD by NCHDs. Filtering options include by document status, document type, NCHD name, employee status and by medical council number. By default, the records are displayed with the oldest submitted documents.

(ii) **Search** – this tab allows you search for individual NER OH accounts. Once you have selected an account you will have visibility of the NCHDs OH NER dashboard

(iii) **Reports** – There are a number of useful reports you can run and more detail of these is provided in section 2.9

2.1 Searching for Documents

When a user opens the Documents Screen in the OH Module, the Document Status is defaulted to Submitted.

Documents – this tab allows you to search for all of the documents submitted to your OHD by NCHDs. Filtering options include by document status, document type, NCHD name, employee status and by medical council number. By default, the records are displayed with the oldest submitted documents.

When a user is looking to view documents for NCHDs that are due to take up a post (pre-starters), this can be done by changing the Employee Status filter to Future. Please note that the NCHD must be future matched to a post by Medical HR for this functionality to work.

Searching for Future NCHD's

When a user wants to search for an NCHD that is future matched on DIME to their site, this can be done by running both the OH Contact Details and OH Account Documents Reports. Date filtering functionality is available with both these reports and will allow you view those NCHDs previously in post and those due to take up a post (pre-starters) depending on the date entered and provided they have been matched to a post by Medical HR.

Rejecting Occupational Health Documents

Overview

You have the ability to reject Occupational Health Form and Immunization Status documents if not uploaded by NCHD. A free text box will also be available for any additional comments.

How to get here:

- Navigate to the OH Module
- Choose the Search icon
- Perform a Search
- Double click one of the records returned
- Under 'Occupational Health Documents'
- Choose the 'Manage' link
- From the popup, choose the 'Reject' button.

The screenshot displays the NCHD Post Matching system interface. On the left is a sidebar with navigation options: NCHD Post Matching, Consultant Post Matching, NER, CAP, OH Module, Documents, Search, Settings, Reports, Common, Logged in As, Super Admin, Clinical Site, Log Out, System Version, and 3.1.3.TEST. The main area shows a table of doctors with columns: MC Ref #, Forename, Surname, Email, Date of Birth, Clinical Site, Category, Account Status, OH Form Status, and Immunisation Cert. EXP Status. A modal window titled 'Edit Document Details' is open, showing details for a document named 'Immunisation Status'. The modal includes fields for Document Name, Updated Date (13/09/2018), Alert Date, Status (Verified), and Attachments. Below the modal, there is a table for Occupational Health Documents with columns Name, Status, and Action. The table shows three documents: Occupational Health Form (Status: Red flag, Action: Manage), Immunisation Status (Status: Green checkmark, Action: Manage), and GPP Certificate (Status: Red flag, Action: Manage). The Occupational Health Status is currently 'No Occupational Health'.

2.3 Occupational Health Form

(i) To manage OH Form - OHD clicks on the Manage link next to the NCHD Occupational Health Form

(ii) OHD must select View to view the data which has been submitted

NOTE: If this is not the first submission, the OHD will see the newly submitted data in red and the most recently verified data in black for comparison purposes.

(iii) If the NCHD requires follow-up or is passed fit for a defined period of time the OHD may enter an Alert date. 90/60/30 days prior to the alert date an email will be generated to the NCHD advising them that they will need to present to their OHD for follow-up. The OHD will also be copied on these emails. These Alerts can also be removed if no longer required by deleting the date and clicking on the Update button.

(iv) The OHD can verify the OHF provided all sections have been completed satisfactorily.

(v) The OHD may also reject the OHF. If rejected, an email will issue to the NCHD advising them. A dropdown rejection list will be available for the OHD to select from and a free text box for any additional comments. The document symbol will change on both the OHM and NCHD dashboard from submitted (question mark) to rejected (thumbs down). The OHD also have the option to add and remove restrictions on the OHF.

Adding Restrictions to an OH Form

Overview

When you navigate to manage action of OH Form and press Verify button, the Verify Form pop up will appear enabling to put restriction comments. Such comments will be visible in PDF OH Form.

How to get here:

- Navigate to the OH Module
- Choose the Search icon
- Perform a search, and double click one of the returned records
- Under the occupational health documents grid, choose the 'Manage' link beside the Occupational Health Form
- In the popup Window, you can click the Verify button, and then add restriction information into the text box labelled 'Restriction Applicable'

- Document Name:** Occupational Health Form
- Updated Date:** 08/01/2018
- Alert Date:** An empty text box with a calendar icon to its right.
- Status:** A green checkmark followed by the word "Verified".

Below the form, there are three buttons: "Reject", "Update", and "Remove restrictions". A detailed note is visible below the "Alert Date" field:

*important!
Please do not enter an alert date unless NCHD has only been passed fit for employment for a specified period of time. If this NCHD is required to be reassessed by Occupational Health after a defined period of time, then enter that date in the alert date box provided. In the vast majority of cases no date is required.*

Remove restrictions button will be visible only if there are restrictions added to the document.

View the Reason for Documents Rejection

A history of reasons for rejection is stored under the documents function in the OHD Module. Search for MP and Document under the Status Rejection and view email history in the document details screen. Note: Only applies to OH Documents rejected from November 2018 onwards.

Overview

A hyperlink is available under the Status field in Document Details screen which will bring you to a Rejection details pop-up window. Rejection details pop-up window presents a grid with all rejections made in relation to selected document

How to get here:

- Navigate to the OH Module
- Choose the Documents icon
- Perform a search for records with a status of rejected
- Double click one of the records
- Click the 'View Rejection Details' link to view the details.

2.4 Immunisation Status

- (i) To manage the Immunisation Status - OHD clicks on the Manage link next to the NCHD Immunisation Status
- (ii) OHD must select 'View' to view the data which has been submitted
- (iii) If the NCHD requires follow-up or is passed fit for a defined period of time the OHD may enter an Alert date. 90/60/30 days prior to the alert date an email will be generated to the NCHD advising them that they will need to present to their OHD for follow-up. The OHD will also be copied on these emails. These Alerts can also be removed if no longer required by deleting the date and clicking on the Update button.

- (iv) The OHD can verify the Immunisation Status provided all necessary immunisation results have been uploaded and meet the requirements.
- (v) The OHD may also reject the Immunisation Status. If rejected, an email will issue to the NCHD advising them. A dropdown rejection list will be available for the OHD to select from and a free text box for any additional comments. The document symbol will change on both the OHM and NCHD dashboard from submitted (question mark) to rejected (thumbs down).
- (vi) If the NCHD has not uploaded any Immunisation Status documents, the OHD will have the option to reject the documents, requesting the NCHD to engage with the system. A dropdown rejection list will be available for the OHD to select from, when they click on the manage link followed by reject. A free text box will also be available for any additional comments.
- (vii) A history of reasons for rejection is stored under the documents function in the OHD Module. Search for MP and Document under the Status Rejection and view email history in the document details screen. Note: Only applies to OH Documents rejected from November 2018 onwards

While it is expected that the NCHD will upload their Immunisation Status documentation, the OHD can also add a document to the Immunisation Status field by selecting the Manage option. The pop up box in Fig. 25 will open with an option to 'Add attachment'

Once the relevant document is selected by browsing to its saved location, click 'add attachment' and the document will upload.

Remember, you can only upload files in the following format; png, jpg or pdf (max size 5MB)

Note: When verifying Immunisation Status documentation, these documents are verified as a group, not individually.

Fig.25

The screenshot shows a web application window titled "Edit Document Details". It contains two main sections: "Document Details" and "Attachments".

Document Details:

- Document Name:** Immunisation Status
- Updated Date:** 27/03/2017
- Alert Date:** A text input field with a red "X" icon and the text "Alert Date is not mandatory" below it.
- Status:** Submitted (indicated by a blue circle icon)
- Buttons: **Verify** and **Reject**

2.5 Exposure Prone Procedure (EPP)

To clarify whether an EPP Certificate is required for an NCHD, the Post EPP status field has been added to the NCHD Account Details in Search screen whether EPP Certificate is required for applied post or not.

If there is no chosen speciality, Post EPP Status field will remain blank. Information whether EPP Certificate is required or not will be taken from NCHD Post Matching Module -> System Configuration -> Medical Discipline System List.

How to get here:

- Navigate to the OH Module
- Choose the Search icon
- Perform a search, and double click one of the returned records
- View Post EPP status field

- (ii) The NCHD will also receive a system generated email advising them to seek EPP clearance if required when Medical HR have matched them to a post on DIME.

Removing Restrictions from EPP Certificates

Overview

Use the Remove restrictions button to enable removing restriction details from PDF document.

How to get here:

- Navigate to the OH Module
- Choose the Search icon
- Perform a search to retrieve records
- Double click on of the search result records
- Under the occupational health documents grid, choose the 'Manage' link beside the 'EPP Certificate' text
- On the popup window, choose the 'Remove Restrictions' button to remove restriction information from the pdf document

Fig. 29

The screenshot shows the NCHD system interface. On the left is a sidebar with navigation options: NCHD Post Matching, Consultant Post Matching, NER, CAP, OH Module, Documents, Search, Settings, Reports, Common, Logged in As, Super Admin, Clinical Site, Log Out, and System Version (3.1.3.TEST). The main area displays a table of search results with columns for MC Ref #, Forename, Surname, Email, Date of Birth, Clinical Site, Category, and Account SI. A record is highlighted in orange. Below the table is a section for NCHD Account Details, including First Name, Medical Council Registration Number, Correspondence Address, Date of Birth, Clinical Site, and Grade. To the right, the 'Edit EPP Certificate' window is open, showing document details: Document Name (EPP Certificate), Updated Date (10/10/2018), Alert Date (31/10/2019), and Status (Verified). The 'Remove restrictions' button is highlighted.

2.6 View Changes to the OHF

If an NCHD makes a change to a verified OHF, it will automatically be resubmitted to their OHD. This will ensure that you are aware of any changes such as additional employment details or sickness records. The relevant change will also be highlighted in red so that it is easy for the OHD to detect exactly what change was made.

Note: The previously approved employment history is not available for edit and are marked Verified. User may continue to make edits and resubmit the OH Form

Note: Ensure that system generated emails are not directed to the 'Junk email' folder of your email account. Check your Junk email box, right click on sender you wish to release, select 'Junk', select "never block sender".

2.8 Document Status Symbols

Fig. 33

Missing or Expired – This means a document has not been added or has expired

Rejected – This means that the document that has been uploaded by the NCHD has been rejected. The NCHD will receive an e-mail confirming the document has been rejected

Submitted – This means that the Doctor has submitted a document that must be verified by the OHD

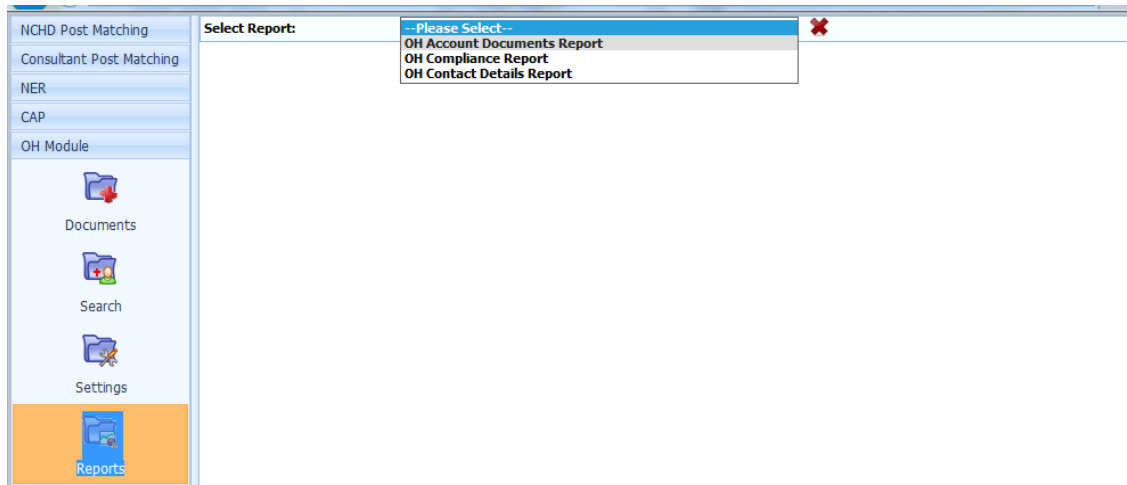

Warning – This means that the document will expire in 90 days or less. A reminder will be sent to the Doctor and the OHD for certain document types.

Verified – This means the document has been verified by the OHD and is in date

2.9 Reports

To run DIME reports click the 'Reports' tab in the OH Module Fig. 33

Fig. 34

There are three reports available from the dropdown menu.

- (i) **OH Account Documents Report** which provides a list of all NCHDs within the remit of your OHD, including IMC number, and a colour coded status of each document type. Date filtering functionality available with this report will also allow you view those NCHDs previously in post and those due to take up a post (pre-starters) depending on the date entered provided they have been matched to a post by Medical HR.
