1. Introduction to Training Supports Scheme on NER

The Training Support Scheme (TSS) is part of the suite of educational supports for NCHDs provided by HSE-NDTP and can be used to claim for exam, course or conference costs which satisfy the TSS Eligibility criteria. For access to the TSS Policy, or further information on the other supports offered by NDTP, please see link to our website: https://www.hse.ie/eng/staff/leadership-education-development/met/ed/fin/. Please ensure that you are applying under the correct funding scheme before submitting your application.

To create a TSS application, you must submit an application via the Training Supports Scheme Section on your NER Account:

If the bell symbol appears, it indicates that your Medical Manpower is seeking further information on a submitted application. The number on the symbol denotes how many applications require further action.

Once you have selected the TSS icon on the NER Dashboard you will be directed to the TSS home page

The home page has six sections within, as described below:

- Section 1: Make New Application
- Section 2: Edit Application (Only New, Further Information Required, Unprocessed or Submitted applications)
- Section 3: Delete Application (Only New applications)
- Section 4: Log of Applications TSS and CCERS
- Section 5: Check Balance
- Section 6: Guidance Document

Please note that if the Padlock Symbol appears on the Make New Application tab, there are a number of reasons for this:

- Your current training supports allocation has already been spent
- You have not included your IMC number in your NER account Please update on your Hire Form
- Your current balance is €0.00 Please contact your local Medical HR/Manpower Department

• New applications cannot be made for approximately 4 weeks after the end of the Training Year. You will be notified by e-mail when applications can be submitted.

You won't be able to submit an application if any of the above occurs and a pop-up message will display as below:
