

Here are the projects that received Development Funding in 2021:

Agency	Project Title
Royal College of Surgeons in Ireland	Creation and validation of Situational Judgement Tests (SJTs)
Irish College of General Practitioners	for selection into Irish Postgraduate Medical Specialty
Faculty of Radiologists	Training.
Work Psychology Group	
University College Cork	Development of Interns as trained near-peer teachers with the development of a near-peer Clinical Site Medical Student Teaching Programme.
College of Anaesthesiologists	Establishing the experience of LTFT training in 3 Irish
Royal College of Surgeons in Ireland	Postgraduate Training programmes and how that experience can be improved.
University College Cork	Age-attuning the healthcare workforce in Waterford – a pilot
Royal College of Physicians Ireland	project for gerontological simulation-based teaching.
HSE National Integrated Clinical Programme	
for Older People	
School of Medicine UL	Inclusion Health training for postgraduate medical trainees.
Royal College of Surgeons in Ireland	
Deep End Ireland	
St James' Hospital	
Trinity College	
HRB Primary Care Clinical Trials Network	Developing academic research leadership in our future
Ireland	general practitioners.
Dublin Mid-Leinster Intern Network Team	
Dublin North-East Intern Network Team	Play/Decide Teamwork and Collaboration: Scaling up an
Dublin South-East Intern Network Team	educational board game for junior doctors addressing
Mid-West Intern Network Team South Intern Network Team	workplace bullying and harassment
West North-West Intern Network Team	
Tallaght University Hospital	Less than full time working in the Department of Anaesthesia
	and Critical Care, Tallaght University Hospital
Irish College of Ophthalmologists	Lean Six Sigma for New Eye care pathway design and delivery
	of Care by Ophthalmic Specialists
National University of Ireland Galway	Simulation based education to achieve core competencies in
Royal College of Physicians Ireland	General Internal Medicine (GIM) procedural skills and develop
, 3 ,	cross discipline trainer skills.
West / Northwest Intern Training Network	Building Training Skills for Consultants: The Internship
National University of Ireland Galway	
Royal College Physicians Ireland	
Royal College of Physicians of Ireland	Developing Doctors NCHD Welfare/Patient Safety
Royal College of Surgeons in Ireland	Equality, Diversity & Inclusion
College of Anaesthesiologists of Ireland	
College of Psychiatrists of Ireland
