

## TRAINING SUPPORT SCHEME

Launching in July 2019, this training support fund is in addition to existing financial support schemes such as the Clinical Course & Exam Refund Scheme and the Higher Specialist Fund.

All Non-Consultant Hospital Doctors will be eligible to draw down support for training costs as detailed in the approved list . Entitlements are based on grade and are pro-rata for doctors who work less than the full training year.

See below for the funding amounts, and further details available at the following link:
