Circular No. 027/11

Date: 9th November 2011

Dear General Practitioner

I wish to inform you that the Minister for Health, with the consent of the Minister for Finance, signed the Health Professionals (Reduction of Payments to General Practitioners) (National Immunisation Programmes) Regulations 2011 on the 3rd of November 2011. I enclose a copy of the Regulations for your information. These Regulations give legal effect to the decision of the Minister under Section 9 of the Financial Emergency Measures in the Public Interest Act, 2009.

I would draw your attention to the provisions of section 9 (8) of the Financial Emergency Measures in the Public Interest Act, 2009. Section 9 (8) allows a General Practitioner Contractor who does not wish to continue to render services on behalf of the HSE on the basis of the new payment arrangements to withdraw his/her services if he/she so wish following 30 days written notice of his/her intention to do so. In any such event, Section 9 (9) of the Act allows the HSE to engage the services of another professional to ensure that services continue to be available.

I hope the foregoing and attached clarify matters in relation to the revised fee schedules for you.

Yours faithfully,

Patrick Burke
Primary Care Reimbursement Service
