Circular No. 010/2013

30th July 2013

Dear Pharmacist,

I wish to advise that the Minister for Health made Regulations on 24th July 2013 to reduce payments to Community Pharmacy Contractors. In accordance with section 9 (3) of the FEMPI Act 2009, the Regulations are effective from the 24th July 2013.

I would draw your attention to the provisions of section 9 (8) of the Financial Emergency Measures in the Public Interest Act, 2009. Section 9 (8) allows a Community Pharmacy Contractor who does not wish to continue to render services on behalf of the HSE on the basis of the new payment arrangements to withdraw his/her services if he/she so wish following 30 days written notice of his/her intention to do so. In any such event, Section 9 (9) of the Act allows the HSE to engage the services of another professional to ensure that services continue to be available.

I hope the foregoing and attached clarify matters in relation to the revised fee schedules for you.

Yours sincerely,

Patrick Burke
Primary Care Reimbursement Service
