Circular 012/22

**Re: Paxlovid™ (PF-07321332 + ritonavir)**

Dear Doctor,

Please find enclosed a communication from Prof Michael Barry, Clinical Lead of the HSE Medicines Management Programme to GPs in respect of Paxlovid™.

GPs have been asked to involve the patient's nominated pharmacy at an early stage in considering whether a patient is suitable for Paxlovid™ and if seeking assistance from the NMIC to copy the pharmacy into such communications.

Information for patients and the public is available on the HSE website:  
<https://www2.hse.ie/conditions/paxlovid/>.

As matters evolve, further information will be available on the MMP website at  
[www.hse.ie/yourmedicines](http://www.hse.ie/yourmedicines).

Yours faithfully,

Shaun Flanagan
