Re: Directory of Healthmail Addresses

Dear Doctor,

You will now find on the GP Application suite a new tab (Healthmail) with a list of Healthmail addresses for community pharmacies within your Community Healthcare Organisation. There is also a national list.

Whilst every effort has been made to ensure that healthmail addresses are accurate at the time of publishing, healthmail addresses may be amended where an instruction has been provided by the relevant pharmacy. At the end of three months of electronic transfer of prescriptions, further consideration will be given to the maintenance of these reference materials.

Careful attention should always be given to ensuring that the correct healthmail address has been selected for the patient's choice of pharmacy.

Yours faithfully,

Shaun Flanagan
