**Date:** 21<sup>st</sup> July 2023

**Circular number:** NCO-26-2023

**Re: Structured Chronic Disease Management Programme - Revised Nursing Support Grant Deadline for CompleteGP PMS Users**

Dear Doctor,

Further to NCO-02-2023 and previous CDM Circulars, the purpose of this circular is to inform you of the update for GP's using the Digigrow CompleteGP Practice Management System.

The HSE and Digigrow have been engaging on a technical issue which has arisen in respect of Phase 1 CDM reviews and which has impacted on a number of CompleteGP users. In taking account of this it has been agreed to extend the deadline for the Nursing Support grant for those GP's using the CompleteGP GP PMS from the 1<sup>st</sup> July, 2023 at 23:59:00 to 31<sup>st</sup> December 2023 at 23:59:00.

Therefore, the relevant Nursing grant payment as set out in NCO-02-2023 and previous CDM Circulars will be paid provided that the relevant CDM returns from CompleteGP users has been received by the HSE on or before the 31<sup>st</sup> December, 2023 at 23:59:00.

This will allow you as a participating GP, equal opportunity to fully participate in the Structured Chronic Disease Management Programme with all rules as applied in the previous CDM Circulars.

**Yours sincerely,**

---

**Pat Healy,**  
National Director Clinical Programme Implementation  
& Professional Development
