Circular 061/16

14th December 2016

Dear Doctor,

I wish to advise that the Minister for Health, with the consent of the Minister for Public Expenditure and Reform, has made Regulations cited as the Health Professionals (Payments to General Practitioners) (National Immunisation Programmes) Regulations 2016. These Regulations are effective from 1st December 2016. A copy of the Regulations are appended hereto.

I would draw your attention to the provisions of section 9 (8) of the Financial Emergency Measures in the Public Interest Act, 2009. Section 9 (8) allows a General Practitioner Contractor who does not wish to continue to render services on behalf of the HSE on the basis of the new payment arrangements to withdraw his/her services if he/she so wish following 30 days written notice of his/her intention to do so. In any event, Section 9 (9) of the Act allows the HSE to engage the services of another professional to ensure that services continue to be available.

I hope the foregoing and attached clarify matters in relation to the revised fees.

Yours sincerely,

A handwritten signature in cursive script, reading 'Anne Marie Hoey'.
