Re: DPS/LTI Claims for June 2007

Dear Pharmacist,

Due to technical difficulties encountered during the payment process it was necessary to calculate some DPS and LTI claims for June 2007 separately. The payment of these claims is displayed, as an adjustment amount on the summary page of the attached report. The details of the claims paid by adjustment will be included in your report for July 2007.

Please accept my apologies for any inconvenience caused.

Yours faithfully,

Patrick Burke
Assistant National Director
Primary Care Reimbursement Service
