- Revision of the rates for Breastcheck quarterly and annual allowances (as per DoH Circular 5/2023)
- Revision of rates for Community Welfare Officer, grade code 6030 (rates for both included dates are revised)

The previously published rates should be replaced by the revised rates and applied retrospectively as appropriate.

The long established and utilised grade of Ambulance Officer, grade code 6122, has been newly inserted into the salary scales.
