A Chara,

I am directed by the Minister for Health to refer to this Department's circular of 31 Marta, 1981 (ref S146/11) regarding facilities available to non full-time representatives of staff associations/unions.

In view of the difficulties which have arisen in interpreting the provision in paragraph 4 of the above circular relating to the grant of special leave in respect of attendance at executive meetings (excluding branch executive/committee meetings) I am to inform you that this provision only applies to attendance at meetings of the full national executive and does not apply to attendance at meetings of sub-committees, etc.

I am also to inform you that, for the purpose of paragraph 4 of the circular, the National Nursing Council, the General Nurses' and Psychiatric Nurses' National Committee of the Irish Transport and General Workers Union may be regarded as the national executive for general and psychiatric nurses, the maximum leave allowable being 20 days in any one year.

Mise le meas.

C. Conway.
