**Re: Consultant Contract 2008 –  
Pay Scales for Implementation of High Court Settlement Agreement for Eligible Consultants**

Dear Rosarii

I am writing to you regarding arrangements for the implementation of the High Court Settlement Agreement concluded with the consultants' representative bodies on 15<sup>th</sup> June, 2018 for eligible consultants.

I attach the salary scales to be used to give effect to the Settlement Agreement and a copy of the Agreement. As provided for in the Agreement, these salary scales facilitate the calculations of arrears and future pay. The first payments arising will fall due in 2019 in accordance with paragraphs 2 and 4 of the Agreement.

These scales have been sanctioned by the Minister for Health with the approval of the Minister for Public Expenditure and Reform.

It is noted that these scales are to apply only to eligible consultants as defined in the Settlement Agreement.

Funding for the Agreement will be provided as part of the Estimates process.

Yours sincerely

Teresa Cody
