

1st September 2019
HEALTH SECTOR

**CONSOLIDATED SALARY SCALES IN ACCORDANCE WITH
FEMPI 2015 AND THE PUBLIC SERVICE STABILITY AGREEMENTS 2013 - 2020
(THE LANSDOWNE ROAD AGREEMENTS)**

These scales must be read in conjunction with Department of Health Circular 10/2019

The Public Service Pay and Pensions Act 2017 to give effect to the following adjustments to salaries effective 1st September 2019:

Section 8(4) :- In respect of a covered public servant, the annualised amount of his or her basic salary shall, on and from 1st September 2019, be increased by 1.75 per cent.

Your attention is drawn to section 12 of the 2015 Act which provides details of the consequences of the inclusion of unapproved terms and conditions in the contract of employment of public servants and which provides for related matters, including the recoupment of unapproved payments.

Pay of non-whole time equivalents such as worksharers is calculated by applying the relevant increase to the full basic salary first and then calculating the appropriate rate for the person working reduced hours, on a pro-rata basis.

Sessional rates may not be used in respect of any new employee recruited on or after 28th March 2014 and the continued use of sessional rates in relation to those already in receipt of them is also currently being reviewed. The relevant sessional rates are highlighted on the Consolidated Salary Scales.

The sanction of the Minister is now conveyed for the application of these amended pay scales with effect from 1st September 2019

COMPLIANCE WITH HEALTH SECTOR PAY POLICY (as set out in DoH Circular 11/2013)

1. Salary Scales

In accordance with public service pay policy, the Department of Health Consolidated Salary Scales (1st September 2019), as sanctioned by the Minister for Health and approved by the Minister for Public Expenditure and Reform, set out current salaries for public health service staff. These salary scales must be strictly adhered to and in no circumstances should an employee receive remuneration in the nature of pay and allowances of an amount greater than the amount prescribed for the relevant grade. The Department of Health Circular 11/2013 defines remuneration as basic salary, allowances and all other benefits in cash or in kind, together with general terms in regard to superannuation, holidays, sick leave etc., approximating to health service norms.

Non-Exchequer sources of funding may not be used to supplement approved rates of remuneration.

It is noted that the standard Service Arrangement between the Section 38 providers and the HSE requires that remuneration in Section 38 bodies conforms to public sector pay norms. Attention is drawn to the following provisions in particular;

- Section 3.2(c) (ix): Providers shall not pay nor subsidise salaries, expenses or other perquisites which exceed those normally paid within the public sector.
- Section 17.5: The Provider will adhere to the consolidated salary scales where they apply and is not authorised to pay salaries in excess of the consolidated scales for approved grades.

2. Financial Emergency Measures in the Public Interest Acts 2009 - 2015

The 2009 Act provided for reductions of public service pay rates with effect from 1 January 2010 and was amended by the 2013 Act to effect further reductions for employees earning over €65,000 per annum. The 2015 Act provides for an increase in the remuneration of certain grades in the public service.

Under Section 5(1) of the 2013 Act, a public servant whose pay has been reduced in accordance with the Act is not entitled to receive remuneration greater than the amount so determined. Additionally, no person or body responsible for paying the remuneration of a public servant is entitled to pay remuneration of an amount greater than the amount so determined. Accordingly, with the exception of the very limited arrangements under Section 6 of the 2013 Act, which requires the sanction of the Minister for Public Expenditure and Reform, it is not open to any public service employer to implement an increase in remuneration for public servants outside of the increases provided for in the 2015 Act and adjustments agreed as part of the public service stability agreements.

Your attention is drawn to section 12 of the 2015 Act which provides details of the consequences of the inclusion of unapproved terms and conditions in the contract of employment of public servants and which provides for related matters, including the recoupment of unapproved payments.

3. Allowances ** NO UNAPPROVED ALLOWANCES MAY BE PAID **

As a general rule, only allowances included in the Department of Health Consolidated Salary Scales may be paid. Such allowances may be paid only in respect of those duties and grades specified in the Consolidated Salary Scales and at the approved rate, e.g. on-call allowances are payable only to those grades such as NCHDs, nurses etc. Where the Consolidated Salary Scales provide for the payment of an on-call allowance; the approved rate of such allowances may not be varied.

4. One Person One Salary

In accordance with the one person one salary principle, serving public servants require the consent of the Department of Public Expenditure and Reform in order to undertake other forms of paid remuneration in any part of the public service. In this context it should also be noted that public servants and public sector employees (with the exception of certain worker directors), who sit on State boards in an ex officio capacity or on behalf of their parent Department/organisation or who may be nominated to such boards independently of their public service employment, should not be paid remuneration in the form of board fees when serving in such a representational capacity.

5. Temporary Contracts for Posts at a Higher Grade

The Department of Health Circular 9/2016 must be adhered to in relation to temporary contracts for posts at a higher grade. Temporary contracts for posts at a higher grade that extend beyond 12 months will only be given on an exceptional basis and prior sanction must be sought from the Department of Health.

6. Superannuation

It is a general condition of public service pension schemes that pensionable remuneration for the purpose of the calculation of pension benefits, is determined by reference to the approved salary scale and sanctioned pensionable allowances, where applicable. The various superannuation schemes in the health sector require that the salary along with pensionable allowances used to determine pension benefits are those approved by the Minister for Health with the consent of the Minister for Public Expenditure and Reform.

Retirement benefits must be calculated by reference to the substantive grade of the retiring employee and the appropriate approved salary scale, and pensionable allowance where applicable, as set out in the Consolidated Salary Scales. Superannuation scheme rules do not permit the calculation of benefits using an unapproved salary or allowance to determine pensionable remuneration.

Guide to the Consolidated Salary Scales

Please note the following :

- 1 The "1st September 2019" worksheet shows the payscales for all grades except consultants. Payscales on this worksheet read across the page. The current rate and a minimum of one historical rate are shown.
- 2 The "Consultants" worksheet shows all consultants rates.
The "Allowances1" worksheet shows all allowances for public servants in receipt of basic pay up to and including €125,000.
The "Allowances2" worksheet shows all allowances for public servants in receipt of basic pay in excess of €125,000.
- 3 The "Pensions" worksheet includes scales inserted for Administrative purposes only as well as for pension purposes and notional scales. These were previously amended to reflect relevant FEMPI (1.1.2010) pay reductions which became applicable to these grades with effect from 1 March 2012 (end of first grace period). Notional scale for Clerical Admin grades which used to issue as a separate circular (Circular 11/2005) are also contained on these pages. This worksheet has not been maintained due to PSPR adjustments.
- 4 LSIs (Long Service Increments) are represented by emboldened figures. 1st LSI is paid after 3 years on the max, the 2nd LSI after 3 years on LS1, and the 3rd LSI after 3 years on the 2nd LSI.
- 5 For all craftsmen grades (Craftsmen, Craftsmen's Mates, Chargehand, Asst Foreman, Foreman), the points are as follows; Point 1 = On recruitment Point 2 = After .5 years Point 3 = after 1.5 years etc. Where one point scales became two point scales under Clause 2.31 of the Haddington Road Agreement, incremental progression will be after 2 years service on the 1st point.
- 6 Where a qualification bar exists for a grade, the grade is represented twice, once for those without the qualification, once for those with it (e.g. Social Care Worker).
- 7 As in previous scales, the weekly rate can be calculated by dividing the annual rate by 52.18.
- 8 Anomalies where an increase to one scale point has resulted in this point exceeding the next, or even the next two or three scale points (a lower point on the scale will overtake a higher point on the same scale, ie, leapfrogging), the Minister for Public Expenditure and Reform has directed that higher increments 'leapfrogged' in this way will be increased so they are the same value as the lower point following the application of the pay increase. The effect of this is that the staff affected will remain at the same pay level for two or more years.
- 9 Sessional Rates, which are not to be used for any new employees recruited on or after 28th March 2014, have been highlighted.†
- 10 Salaries for pension contribution and benefit (new and historic) for National Director of National Hospitals Office (HSE) and National Director of Primary Continuing and Community Care (HSE) *both obsolete* grades affected by Section 6 (FEMPI No.2 Act 2009) adjustment are still in place as they are still below pre-fempi 2008 rate of pay. All other Senior Managers grades salaries affected by Section 6 (FEMPI No.2 Act 2009) are now above pre-FEMPI September 2008 rate and have had the pension contribution and benefit line removed.
- 11 Dual Responsibility / Acting allowances are no longer payable in line with the requirements of the public service agreements and have been removed from the scales.
- 12 Sleepover rates are set at €9.80 per hour for an adult worker from 1st January 2019, in line with the increase in the minimum wage from €9.55 to €9.80 per hour on that date.
- 13 The Living Out Allowance was abolished completely on 1st July 2017 and is incorporated into the following pay scales as a result: Intern, Senior House Officer, Registrar (Circular 11/2017 refers).
For Pension Purposes:- separate payscales for Intern, Senior House Officer and Registrar who retired or resigned before 1 July 2013 are showing on the payscales.
- 14 Grades of:- CEO(HSE), CEO (National Screening Service), Head of Function/Service (Acute Services) & (National Services) Assessment of Need Officer, Community Healthcare Network Manager, Enhanced Midwife/Senior, Enhanced Nurse/Senior (Children's), Enhanced Nurse/Senior (Community/Primary Care), Enhanced Nurse/Senior (General) and Enhanced Nurse/Senior (Intellectual Disability) have been newly entered into these payscales.
- 15 As per WRC agreement of 6th March 2017 (Circular 12/2017), amended salary scales for New Entrant Academic Consultants from 1st Oct 2012 (tables C2(2), C3(2) and C4(2)) for 1st April 2017 are entered.
- 16 Amendments to allowances as follows:-Allowance figures for Radiography grades are based on a 12 hour period after which pro rata will now apply. GP Registrar allowance and payment (from NCHD contract) included in these payscales. The PSPC recommendation in respect of nursing grades for location and qualification allowance have been increased by 20% following LCR 21900 and 21901.
- 17 Director General (HSE) has been marked as obsolete on these payscales and have not to be used for future incumbents.
- 18 The grade of Head of Function/Service (Community Healthcare Organisations) has been retitled to Head of Function/Service (Community Services) within these payscales.
- 19 Pay rates for the grades of Staff Nurse, Post Qualification Pre Registration, and Staff Nurse (Adaptation Placement) General/Children's/Midwife/Mental Health are calculated at 85% of the first point Staff Nurse/Staff Nurse Mental Health pay scale as appropriate.
- 20 KARE and Sisters of Charity Kilkenny have been moved from CEO Band SC1 Social Care to CEO Band SC2 Social Care and Brothers of Charity has been included in CEO Band SC4 Social Care for new appointments with effect from 30th January 2019.
- 21 A new grade has been sanctioned for Assistant Director of Nursing Band 4 and is listed under Assistant Director of Nursing (Non-Band 1 Hospital) within these payscales.
- 22 Salary scales to be used for eligible consultants who have availed of the Terms of Settlement are shown in the Consultant Worksheet and demarcated with the letters SA before table (Circular 11/2018 refers)
- 23 Abbreviations: 'PSPP'=Public Service Pay and Pensions Act 2017; 'LRA'=Lansdowne Rd Agreement; 'HRA'=Haddington Rd Agreement; 'Sec.6 adj'=Section 6 Adjustment.'PSSA=Public Services Stability
- 24 Please refer to Circular 3/19 for application of additional increments awarded in relation to New Entrant under the PSSA 2018-2020. This circular does not apply to nursing or midwifery grades.

Masters Allowance

Calculating the Allowance paid to the Master of a Maternity Hospital

The allowance attached to the role of Master is calculated as the difference between the rate applying to the standard clinical post and a professorial post as determined by Contract Type. For example, should you opt for Consultant Contract 2008 on a Type B basis, you will receive an allowance equal to the difference between the salary rate for the Type B standard clinical post and the Type B Professor post.
