RE: Incremental Credit – Temporary Nurses

Dear Colleague

I refer to the incremental credit agreement for nurses concluded on 18th June 1999. This agreement allowed access to the long service increment with effect from 2004 for nurses who had three years service on the maximum of their scale.

It is now necessary to amend the incremental credit agreement for nurses to conform with the Protection of Employees (Fixed-Term Work Act) 2003.

Please be advised that access to the long service increment will be permitted for nurses who had three years service on the maximum of their scale on the 14th July 2003 or on a date thereafter.

Enquiries in relation to this matter may be directed to the undersigned.

Yours sincerely

Brendan Mulligan
Assistant Chief Executive – Industrial Relat.
