Re: Theatre On-Call

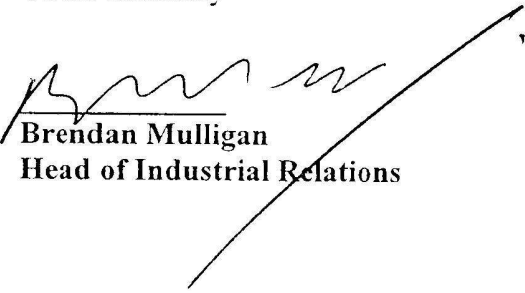

Dear Kieran

Please note that both the INO and SIPTU have confirmed acceptance of the attached Labour Relations Commission proposals recommending a revised National On-Call rate for theatre nurses.

The revised rates will come into effect from 6th January 2003.

Please arrange for a Department Circular to issue advising employers of this arrangement.

Yours Sincerely

Brendan Mulligan

RE: THEATRE ON-CALL

Dear Mr Mulligan

I refer to the various conciliation conferences on the above subject held at the Labour Relations Commission. I now confirm the following agreed position reached at the conciliation conference on 25th February 2003. It is my understanding that this position is being put by all parties with a recommendation for acceptance. The effect of this proposal is to revise national rates as set out below:

1. On-Call with Standby – Each Day

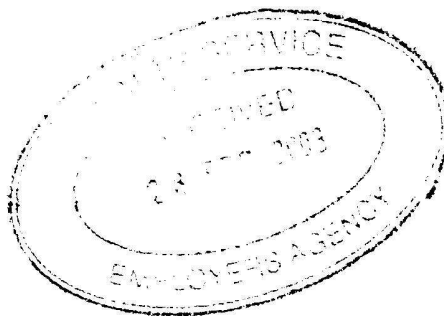

Monday to Friday	:	€35.68
Saturday	:	€45.83
Sunday & Public Holidays	:	€61.95

All of these figures based on a 12-hour period. Pro rata to apply after 12 hours.

2. Call-Out Rate – Monday to Sunday

(a)	Fee per operation per 2 hours	€35.68 (1700 - 2200 hours)
(b)	(i) Operation lasting more than 2 hours and up to 3 hours	€35.68 + €17.83 = €53.51 (17.00 - 22.00 hours)
	(ii) Operation lasting more than 4 hours and up to 5 hours	€35.68 + €35.68 + €17.83 = €89.19
(c)	Fee per operation per hour	€35.68 (after 22.00 hours)

National Murphy, Chairman
Sam Downey
Josephine Fenwick
Peter McLoone
Sgt. Rory O'Donnell
Brendan McGinty
Tom Ward
Kieran Mahony, Secretary

3. On Call without standby

- (i) Fee per operation, call-in without standby : €71.36
- (ii) Overruns from roster at normal overtime rates
(no time back in lieu).

4. On-Call over weekend

In situations where no rostered duty is available over the weekend, the following will apply on a pro-rata basis (i.e. appropriate rate divided by 12, then multiplied by number of hours available). No time back in lieu will apply.

Nurse Co-Ordinator Allowance

A shift allowance of €15.24 will be paid to a staff nurse who undertakes the role of formalising the reporting and accountability relationship with the Theatre Superintendent. The allowance only applies to a nurse fulfils specified duties when called in (D.O.H.C. circular refers).

I trust that the above accurately reflects the outcome of conciliation and I commend the proposals to the parties as a means of finally putting an end to this dispute.

These proposals are in full and final settlement of all claims made by the Unions under the heading of "Theatre on-call" and previously referred to by the Labour Court on Page 13 of LCR 16261.

I also assume that, while the proposals are being examined and balloted on, no further disruption of services will occur.

Yours sincerely

Raymond McGee
