RE: Incremental Credit - General Support Services Grades

I refer to the letter of 26th July-2000 from the Health Service Employers Agency in connection with the above.

This Department's sanction is now given to the agreement for general support services grades as set out in that letter.

The agreement comes under the heading of a "minor claim" and as such is to be funded from within allocation. Agencies anticipating a significant cost for their agency in the current year should forward details to this Department for consideration in the context of your agency's allocation and Service Plan.

Any queries relating to the terms of the agreement and its implementation should be addressed to Ms Marian Keogh, Health Service Employers' Agency at 63/64 Adelaide Road, Dublin 2, telephone 6626966.

Yours sincerely

David Maguire
