**Subject:** Subject: Memo re HR Circular 27/2019- Implementation of allowance changes, in respect of nursing grades

---

**Dear Colleagues,**

I refer to the above circular dated 20th September 2019. Following on from same, we have received a number of enquiries in relation to the Midwifery Allowance for Public Health Nurses. Following consultation with the Department of Health, I can confirm that the non-inclusion of the increased rate in the consolidated salary scales was an omission, and will be rectified in due course.

It is therefore in order to apply the increase to the Midwifery Allowance for Public Health Nurses in line with the provisions of the circular.
