**Re: Radiographers (heretofore paid at part time Rate as per consolidated scales)**

A Chara

I refer to the small number of Radiographers who have up to now been paid in accordance with the part time rate of pay as outlined in the DOHC consolidated salary scales.

Arising from discussions and agreement between the HSEA/DOHC and SIPTU, it has been agreed that, in future, the staff concerned will be paid as per the appropriate salary scale for Radiographers as outlined in the consolidated pay scales. The appropriate point on the relevant pay scale will be determined in accordance with the individuals experience and service and as per normal arrangements with regard to the application of incremental credit to part-time employees. These new arrangements will apply from 1<sup>st</sup> January 2002.

Radiographers who are encompassed by this agreement will also qualify for other benefits accruing for part-time employees in accordance with the provisions of the protection of employees (Part time Work) Act 2001.

Employers are asked to implement the provisions of this agreement as soon as possible.

Enquiries with regard to same should be directed to undersigned.

Yours sincerely

**John Delamere**
