Re: Specialist Registrars – Public Health

Date: 7th October 2003

Agencies are reminded of the contents of the Department of Children & Children 's Circular 39/2003 which advises that the Continuing Medical Education (CME) allowance payable to Specialist Registrars in Public Health training is being increased to €3,900 per annum effective from 1st July 1999. If agencies have not already applied this rate to the staff concerned, they are asked to do so with immediate effect.

Yours sincerely
